

COPYEDITING & PROOFREADING

COPYEDITING

Served as book editor, reviewing for consistency, flow, language, tone, formatting, and helping with content gaps.

Inspired Excellence

EDITING TESTIMONIAL

Meme created by a former supervisor to attest to my skill and attention to detail.

 Haha other ppl's texts before and after you edit them

PHILOSOPHY

I view copy editing as a partnership toward a common goal—a better piece of content. I work to enhance the integrity and impact of the work while preserving the author's voice.

For proofreading, I unleash my word nerd's eagle eye, which has been honed over decades of experience to catch both common and not-so-common errors.
